GUITAR LESSONS AT KELSEY CREEK FARM

This course will teach guitar lessons in a 50-minute classroom setting for both beginners and those with some experience. By the end of the course the student should have mastered the following:

- All basic (open) chords, dominant 7 chords, and barre chords
- Major and minor scales in all positions on the guitar neck
- Memorized every note on the neck of the guitar
- Be comfortable with alternate picking
- Know and understand the building blocks of most blues and rock songs
- Be able to play a selection of well-known popular songs

Music theory will be introduced (painlessly!) at appropriate points during the course to create those “ah-ha!” moments which provide students a true understanding of music.
